

HELP!

Composition : Lennon/Mac Cartney

Album : *Help !*

Année: 1965

Soprano		Alto
I need somebody	<i>Help !</i>	
	<i>Help !</i>	
	<i>Help !</i>	Not just anybody
	<i>You know I need someone</i>	
	<i>Help !</i>	
When I was younger So much younger than today		When, when I was young
I never needed anybody's		I never need
	<i>Help in anyway</i>	
But now these days are gone I'm not so self-assured		But these days are gone
Now I find, I've changed my mind		And now I find
	<i>I've opened up the doors</i>	
	<i>Help me if you can, I'm feeling down</i>	
	<i>And I do appreciate you being round</i>	
	<i>Help me get my feet back on the ground</i>	
	<i>Won't you please, please help me</i>	
And now my life has changed In oh so many ways		Now, My life has changed
My independence seems to		My in depen...
	<i>Vanish in the haze</i>	
But ev'ry now and then I feel so insecure		But Ev' now and then
I know that I just need you like		I know that I
	<i>I've never done before</i>	
	<i>Help me if you can, I'm feeling down</i>	
	<i>And I do appreciate you being round</i>	
	<i>Help me get my feet back on the ground</i>	
	<i>Won't you please, please help me x2</i>	
	<i>Help me, help me, ou...</i>
